

KEEL BOAT SAILING

ROYAL GOUROCK YACHT CLUB

ASHTON, GOUROCK, PA19 1DA

Royal Gourock Yacht Club has a fleet of 7 Club boats available for day sailing to members and their guests. If you have some sailing experience or current sailing qualifications you could be enjoying the thrill of keel boat sailing on the Clyde sooner than you think.

The Club runs an open evening every Friday in the sailing season from May to September where non-members can come and get a feel for the facilities at the Club including time on the Club keel boats, like these shown above, completely free of charge.

Everyone's welcome from complete beginners, who've never sailed before, to the most experienced yacht master.
