

MOORING YOUR BOAT AT ROYAL GOUROCK YACHT CLUB

Royal Gourock Yacht Club operates a launch service to take members and crew to and from their moored boats. At busy periods such as race events, two launches can be in operation. In the quiet periods ie Monday to Friday 10:00 until 17:30 the boatman is on standby and will have the launch at the slip within 15 minutes to take you to your boat. On evenings and all day at weekends, the launch will be ready for you at the slip.
