

ADULT SAIL TRAINING

On Friday evenings from May to September all Members are invited to attend what is generally known as Social Sailing. As well as introducing potential Members to the pleasures of sailing, we also help new boat owning and non-boat owning Members to broaden their experience with a view to gaining their Piper Helmsman's Certificate. It is also an excellent way to get to know others in the Club, therefore even if you are a non-sailing Member come along, sit in the sun on the balcony, have a drink or a meal and watch the activity on the water.

ADULT SAIL TRAINING ASSISTANCE

It is hoped that owners and helmsmen will come on as many Friday evenings as possible. Grateful thanks to Last year's regulars, whom I hope will support us again and I look forward to welcoming other boat owners and helmsmen. I can recommend the pleasures of Friday 'Social Sailing' to both sailing and non-sailing Members.
