- 1 The Handyman/Boatman will be at the Club Monday to Friday from 10:00 to 17:00 doing general maintenance work on the Clubhouse. If you require the launch during these hours, he will stop what he is doing and bring the launch to the slip. Phone the Boatman to arrange a time.
- 2 Amended launch finishing hours will operate after 3 September and these will be posted on the Notice Board prior to that date. The Launch Service will cease on Thursday 22nd September 2011.
- 3 Owners returning to anchorage are requested to close the launch, or the Clubhouse if the launch is alongside, make their presence known and advise the Boatman when they wish his services. Alternatively, the Boatman can be called on his mobile telephone - the number is shown below.
- 4 The Committee and the Boatman are conscious that Members are entitled to a friendly and reliable launch service. Any comments, suggestions or complaints regarding the launch service should be made to the Honorary Secretary. In the case of complaint this should be made as soon as practical and in as much detail as possible.
